Each year, *The Trial Lawyer* magazine and *The National Law Journal* seek to identify U.S. law firms which have shaped the legal profession through leadership, innovation, and success in the practice of civil plaintiff and criminal defense law. Nominations are accepted from our readership and each law firm is evaluated for their professional achievements, trial results and effective impact in the legal community.

As a result, *The Trial Lawyer* magazine and *The National Law Journal* are proud to recognize these influential U.S. civil plaintiff and criminal defense law firms as 2020 members of **America's 35 Most Influential Law Firms**.
