At the December 10, 2010 status conference, the court set the following schedule:

- a) motion for class certification is due by March 17, 2011;
- b) responses to motion for class certification are due by April 7, 2011;
- c) reply to motion for class certification is due by April 28, 2011;
- d) expert reports are due by February 25, 2011;
- e) respondent expert reports are due by March 25, 2011;
- f) dispositive motions are due by May 27, 2011
- g) the trial date is rescheduled for October 11, 2011;

- h) settlement letters are due on or before August 15, 2011;
- i) the discovery cutoff date is July 31, 2011;
- j) Rule 26(a)(3) disclosures and all motions in limine are due by September 23, 2011;
- k) responses to motions in limine are due by September 30, 2011;
- l) the final pretrial conference will be held on October 6, 2011 at 2:00 p.m.;
- m) not later than seven days before the final pretrial conference each party shall submit to the court its witness list and exhibit list, and shall file and service all proposed voir dire questions, proposed jury instructions, and proposed verdict forms;
- n) by October 3, 2011 at 4:30 p.m., the parties shall provide opposing counsel and the court:
 - i. A short, written narrative statement of each expert's background and experience, which will be read to the jury lieu of other proof on the matters covered unless an objection to the narrative statement is filed.
 - ii. A list of portions of depositions, to be offered at trial, by page and line references for witnesses unavailable at trial. Extensive reading from depositions is strongly discouraged. Toward that end, the proponent of a deposition may -- though is not required -- to prepare a written narrative summary of some or all deposition transcripts the party intends to offer into evidence, with annotated page and line references in parenthesis after each sentence, in lieu of part or all of the narrative of questions and answers.
 - iii. Counsel are also directed to consult and reach resolution on the admissibility of exhibits. Each side shall then file copies of any remaining contested exhibits with the court by 4:30 p.m. on October 3, 2011.
- o) the parties are further directed to refer to the preliminary pretrial conference order (dkt. #62) for additional information regarding these submissions.

Entered this 17th day of February, 2011.

WILLIAM M. CONLEY
District Judge
